

Save to the customer database

The customer's information will be saved in the database.

1. To successfully save the customer's information in the database, you must check the box next to the diskette symbol.

The screenshot shows a software interface for saving customer information. The 'Sender' section is highlighted with a red box and contains the following fields:

- Sender:** Firma Z (with a red 'x' and a menu icon)
- Address:** Lielzemes iela 10 (with a red 'x' and a menu icon)
- Postal Code:** LV 1007 (with a red 'x' and a menu icon)
- City:** Rīga
- Coordinates:** 56.95928 / 24.05471

Below the 'Sender' section, there are fields for 'Phone', 'Working hours', 'Loading remarks', and 'Loading ref.'. On the left side, there is a sidebar with a red box highlighting a checked checkbox and a diskette icon.
