

Save to the customer database

The customer's information will be saved in the database.

1. To successfully save the customer's information in the database, you must check the box next to the diskette symbol.

The screenshot shows a software interface for entering customer information. On the left, there is a sidebar with a red circle around the number '1' and a red box around a checked checkbox and a diskette icon. The main form area contains the following fields:

- Ready from:** Fix, 01.07.2024, 00:00 | 00:00
- Sender:** Firma Z (with a red 'x' and a menu icon), Contact (with a dropdown arrow and a menu icon)
- Firma Z (with a red 'x' and a menu icon)
- Lielzemes iela 10 (with a red 'x' and a menu icon)
- LV (with a red 'x' and a menu icon), 1007, Rīga
- 56.95928 / 24.05471 (with a location pin icon)
- Phone, Working hours (with a menu icon)
- Loading remarks
- Loading ref.
