Cargo transportation order - agreement!

Order No. TA129
Truck/Trailer No: GG123/MZ522
Trip start date: 24.08.2019
Trip end date: 11.07.2024
Route EE -> LV, 3xLV -> LV, LV -> SE

On the moment of cargo loading and delivery, please set actual loading and delivery dates using the link: [this link](#)

The order shall be considered accepted if within 1 (one) hour there is no written refuse received. If the accepted order is not done the haulier pays 15% penaltyFrom the freight price, no less than 50 EUR/ day.

The haulier guarantees that the vehicles used are sufficiently insured according to the CMR-regulations as well as all certificates and licences needed are available in the vehicle.

In case of any deviations the ordering Cloudex SIA office has to be contacts immediately. (Unplanned stops, weather delays, hijacking, road closures, vehicle accident, disabled vehicle, etc.)

In case of dangerous goods (ADR) the haulier ensures that the driver has the applicable licences and the vehicle is equipped with the equipment according to the ADR-regulations

If the truck for loading is cancelled, the haulier must inform us 24 hours before or hauler pays fine 250 EUR.
