

# Payment reminders by e-mail

**To work with debtors** we recommend using the section created for this purpose. Press (F9) to open it. **Info** [here](#) .

To quickly send a payment reminders to several partners at the same time:

1. Filter unpaid invoices in section Unpaid outgoing invoices. Tutorial [here](#) .
2. Set the desired data **Filter** 
3. To mark several records, press **Multi select.** 
4. While holding the **Ctrl key**, **mark** the necessary lines with the mouse
5. Press **Functions** 
6. Choose: **Send a payment reminders via e-mail to selected Clients.**

The screenshot shows the software interface with the following elements:

- Toolbar:** Contains icons for Browser, Back, Forward, New, Unconfirmed, Filter (2), Delete, Multiselect (3), Columns, Functions (5), Relate, Print, Mail, View, and Book.
- Table:** Displays a list of invoices with columns: Number, Date, Total+VAT Eu, and Curr. The table contains 10 rows of data, with rows 4 through 8 highlighted in blue.
- Left Pane (Explorer):** Shows a tree view of the application structure. The 'Payments' folder is expanded, and 'Unpaid outgoing invoices' is selected (1).
- Right Pane:** Displays a list of functions. The function 'Send payment reminders via email to selected clients' is selected (6).

Number	Date	Total+VAT Eu	Curr.
LVAQ203	11.01.2022	390.00	EUR
