

# Payment reminders by e-mail

**To work with debtors** we recommend using the section created for this purpose. Press (F9) to open it. **Info** [here](#) .

To quickly send a payment reminders to several partners at the same time:

1. Filter unpaid invoices in section Unpaid outgoing invoices. Tutorial [here](#) .
2. Set the desired data **Filter** 
3. To mark several records, press **Multi select.** 
4. While holding the **Ctrl key**, **mark** the necessary lines with the mouse
5. Press **Functions** 
6. Choose: **Send a payment reminders via e-mail to selected Clients.**

The screenshot shows the software interface with the following elements:

- Toolbar:** Contains icons for Browser, Back, Forward, New, Unconfirm, Filter (2), Delete, Multiselect (3), Columns, Functions (5), Relate, Print, Mail, View, and Book.
- Explorer (Left Sidebar):** Shows a tree view with categories like Warnings, My favorites, E-mail, Freight Forwarding, Payments, Documents, Lists, New, Reports, and Tools. Under Reports, 'Unpaid outgoing invoices' is selected and highlighted with a red box and a red circle with the number 1.
- Main Table:** Displays a list of invoices with columns: Number, Date, Total+VAT Eu, and Curr. Several rows are highlighted in blue, indicating they are selected. A red circle with the number 4 points to the selection area.
- Functions Menu (Right Sidebar):** A dropdown menu is open, showing options like 'Cash income order', 'Create bank incoming payment', 'Import payments from a bank', 'Create Reconciliation act', 'Create payment reminder act', and 'Send payment reminders via email to selected clients' (6). The last option is highlighted in blue.
