

Kā atlasīt aktuālos pasūtījumus?

1. Klientu pasūtījumu filtrā 
2. Atzīmē Statuss ☒
3. izvēlieties vēlamos pasūtījumu statusus
4. Aizvērt
5. Sagatavot pārskatu

The screenshot shows the 'Klientu pasūtījumi' window. Red circles with numbers 1 through 5 highlight the steps described in the list above. 1 points to the window title bar. 2 points to the 'Statuss' checkbox in the left sidebar. 3 points to the status selection dropdown menu, which is open, showing a list of status options: 'Piedāvājums', 'Apstiprināts', 'Problēmas', 'Uzkrauts', 'Piegādāts', 'Maksās', 'Samaksāts', and 'Atcelts'. 4 points to the 'Aizvērt' (Close) button at the bottom of the status selection dropdown. 5 points to the 'Sagatavot' (Generate) button at the bottom right of the window.
